**STATEMENT OF PURPOSE:**

The Soboba Tribal TANF Program (STTP) is requesting proposals from qualified vendors to provide an afterschool prevention and wellness education program to STTP participants. Through this request for proposal, STTP is seeking to contract services for at risk Native American youth, who have not completed high school or who may be deficient in school credits, to be assessed and tutored in Math, English, Science and other subjects as deemed necessary. The contractor must conduct pre and post assessments on youth and provide test results to the STTP staff.

**BACKGROUND INFORMATION:**

Temporary Assistance for Needy Families (TANF) is a Federal and State funded program that provides time limited assistance to needy and at-risk Native American families in an effort for those children to be cared for in their homes or in the homes of their relatives. The intent of STTP is to provide TANF participants with job preparation, work, education and supportive services to enable them to become self-sufficient. As a sovereign nation our mission is to assist American Indian families and future generations to reach their fullest potential in securing economic stability while encouraging wellness in the family.

STTP is seeking training consultants to provide 40-60 hours or more per week of tutoring and remedial education assistance designed to service students who need to improve their reading, writing, speaking, problem solving, or computation skills to function more effectively in school, society, or at home. Emphasis is directed toward academic enrichment, and raising the educational level of students to assist them with career exploration.

Soboba TANF contractors will be responsible for arranging and monitoring the participation of the TANF youth in activities to ensure they meet the prevention and wellness education program goals.

Proposers will need to submit a brief *narrative overview* (Attachment A) with descriptions of program goals and objectives, qualifications, and methods to be used. A timeline of activities and instructors responsibilities must be provided, a material list, forms, calendars, attendance, rules & regulations of operations, and a *line item budget* (Attachment B) with justification included.
